Designed and built
concept

*The object of this game is to eliminate escaping
outlaw and escape the hostage. This new game
will keep you thrilled with its fast paced car
chases and shoot outs

**SPECIAL
CRIMINAL
INVESTIGATION**

*The play is extended when you track down the
outlaw and his gang. If you catch up with the out-
law's car and damage is completely, you are able
to arrest him. The rounds then cleared. There are
a total of five rounds plus one bonus round. The
game is over when you either arrest the criminal
or run out of time.

STAGE COMPLETE

1

*You can shoot at anyone
and blow up objects in
your way. You ammunition
is unlimited so you can fire
as often as you want

2

*There are turbo plays in
the road. If you use turbo
power, the vehicle gets a
burst engine power for a
few seconds.

3

*If you can catch items
dropped from the helicopter
for you can fire a bazooka
and destroy the enemy
intensity. (You have 50 seconds.)
